MEMORANDUM FOR: DEPUTY DIRECTOR,  
CENTRAL INTELLIGENCE

VIA:

DEPUTY DIRECTOR (PLANS) *ms*

SUBJECT:

Letter of Commendation Addressed to The  
Secretary of Navy Concerning Commander  
[redacted]

1. Subject letter is attached hereto for your signature.

2. [redacted] recently completed a three year tour of  
duty with TSS during which his work has been extremely satisfactory. It  
is felt that his major accomplishments warrant the preparation of a letter  
of commendation similar to the letter prepared for [redacted]

3. Although periodic fitness reports on [redacted] have  
been submitted, these unfortunately are unclassified and therefore cannot  
describe his technical accomplishments. It is the purpose of the attached  
detailed letter to indicate that this officer while detailed to the Agency  
was engaged in his specialty of aeronautical research and development  
and that his accomplishments substantially advanced his career. In the  
absence of such a letter, when [redacted] is considered for  
further technical assignments by the Navy, his tour of duty with the  
Agency would not necessarily be given proper weight.
